

OUTSTANDING EMERGING PROFESSIONAL AWARD RECOGNISING AN OUTSTANDING ENGINEER

OBJECTIVES OF THE AWARD

Awarded to an engineer who has demonstrated outstanding leadership qualities, excellence in their career and a contribution to their community. They must be able to communicate how their work makes New Zealanders' lives better.

CRITERIA

Nominees for this award should:

1. Be at the start of their journey as an engineer. There is no age restriction for this award!
2. Display admirable qualities
3. Inspire others and show extraordinary enthusiasm to contribute to engineering
4. Show extraordinary potential to be a leader of tomorrow.

NATURE OF THE AWARD

- a) Outstanding Emerging Professional Award: Only one Outstanding Emerging Professional Award may be made in each year. The Judges have the discretion not to give an Outstanding Emerging Professional Award if none of the entries are considered of a sufficient standard.
- b) The Awards in each category shall consist of a certificate, an inscribed plaque and a copy of the Judges' citation.

- c) All finalists will receive a certificate acknowledging their achievement.
- d) The entrants accept that the Judges' decisions are final and that no correspondence will be entered into.

ELIGIBILITY

- a) Nominees must be located within Auckland, New Zealand.
- b) The Award entry needs to be supported by a current Member of Engineering New Zealand's Auckland Branch.

ENTRIES

Entries for the Outstanding Emerging Professional Award.

- a) Please indicate to auckland.branch@engineeringnz.org your intention to submit an application
- b) Entries shall close at 5pm on Friday 22 March 2024
- c) Judging shall be completed at a date approved by the Auckland Branch Committee.
- d) The awards will be presented at the Annual Awards Dinner, which will be held on Thursday 23 May 2024

An entry for an Award comprises:

- A completed entry form.
- A written submission

Entry Form

Entries shall be submitted on the appropriate form available from:

auckland.branch@engineeringnz.org

Entry Notes:

- *The written submission should be clearly labelled with any desired credits. All media submitted must be cleared for use across all communications by Engineering New Zealand. The responsibility for obtaining and securing this permission rests with the Awards applicant.*
- *Please ensure that the information provided is accurate as Engineering New Zealand Auckland Branch may include the content online and in print for shortlisted nominees. Engineering New Zealand Auckland Branch accepts no liability for any inaccurate information submitted.*
- *The nominee must be primarily Auckland based.*
